Questions

Notes

Did teachers and students seem interested in their work?

What is the graduation rate? How many students go to college?

How does the school track students academically?

Are there electives, sports, and clubs my child would like?

Additional Questions/Comments

If you were rate this school on a scale from 1 to 10, 10 being your perfect school, what would it be?

1 2 3 4 5 6 7 8 9 10
